What advice do you have for students who are planning to participate in a study abroad program?
- Prepare to bring more essentials like clothing, bug spray, sunscreen
- Increase personal research on your travel destination before your trip
- Learn basic language skills necessary to communicate phrases, like "hello," "thank you," "please," "where is the...," for your travel country destination
- Plan ahead for the amount of money you will need for personal incidentals and travel
- Research to gain a better understanding of your travel country’s cultural customs and differences such as norms and proper attire

Which aspects need to be improved for the KSU University course that you took for your travel abroad program?
- Increase clarity of the KSU Study Abroad Program global objectives in regard to events planned for students outside of the classroom
- Professor should be more knowledgeable about the course content and give clear course information i.e., more effective syllabus, exam information and grading policies
- Provide more information about personal safety issues
- Increase basic information before travel from KSU Study Abroad Program regarding study abroad destination country, customs and cultural differences
- No improvement needed

What would you change about future study abroad programs to make them personally and academically more effective?
- More effectively reaching the educational goals of the course by increasing the availability of field experiences organized by the professor for all participants
- Increased personal interest and responsibility taken on by the professors for student assistance with the course materials and cultural issues that arise while in the host country
- Better overall communication pertaining to living accommodations and meal options
- Increased "free time" to pursue and explore personal interests in the host country
- No change needed

Identify the important factor(s) that you learned from your KSU Study Abroad Program
- Increased understanding and appreciation for the importance of cultural differences and diversity
Other (please specify)

How do you plan to use/build upon your KSU Study Abroad Program experience?

- Application of the total experience to enhance my future educational and career goals because it increased my independence, self-confidence, and awareness of other cultures and people
- Boost my intention to travel abroad again due to my increased awareness, appreciation, and new interest in other cultures and people
- Foster my willingness to promote to other students the educational and personal benefits of Global Education and Study Abroad Program due to my excellent cultural experience
- The experience did not help me and overall, was not beneficial
